Chapter 10: The Ideal Man

Then we'll be continuing on the thin road from here.
Slowly.
It's easy to slip, so please be careful.
Hold onto the chain tightly.
Naka-mura-san.
You'll get left behind.
2
Oh
Okay.
Today, she's going mountaint climbing with everyone.
The mount-ains.

And you haven't been bright these days, Nakamura-san.
Hey, come with us Nakamura-san.
Kawashima-kun said he's bringing a guide who's his friend.
He'll lend you the gear too.
She had been sulking nonstop.
It's true, she wasn't.
After she got knocked down by her mom.
I'm also hungry.
Could it be that she accepted an invitation that she'd normally refuse
Okay... let's go...
Whoa.
Because
her feelings made her waver?

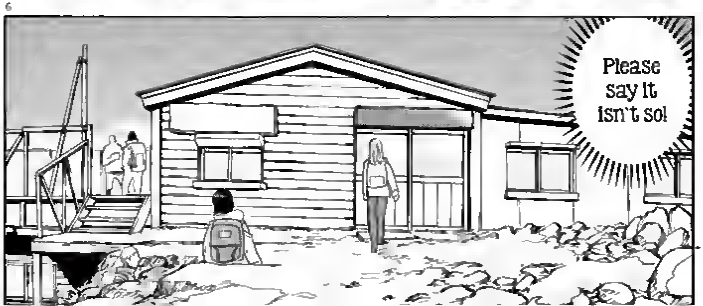
You okay?
When you use your feet, make sure the rock doesn't feel unsteady.
You had some bad footing, so be careful there.
Okay...
Kawashima kun, Kawashima kun

Onoda kun, come listen too.
Why, why? You guys want him?
It's not us.
It's Nakamura kun.
Hey hey, does that guide have a girlfriend?
Uhh, I don't believe so.

Look at that.
Her eyes are glittering.
So she left super dressed up some time ago.
and after that day she got super depressed.
It is deeefinitely because she got dumped by her boyrfriend
Let's break up.
*Image

I see!
We have to cheer her on here!

Okay.
Then we're having lunch at the mountain hut.
It's just a little more up.
Heeey, you guys okay over there?
Then I'll tell him about the circumstances in the hut.
Uh.
Uh.
Then we'll give them some time alone at the top.
Wow so romantic
Agn
ugh
Nooo...
Nakamura san!



Please say it isn't so!

My tummy's rumbling!
What a nice scene!
W o w

That man. .
'You okay?'
I wanna see his face some more...
There's some snow left...
Maybe it's because I lost to my mom.
'You're already 26, right? Ya gotta think of marriage'
In my crushed heart.
But I want some warmth

So.
But really...
Naka mura-san.
So if there's something you wanna say, like a worry, you should just let it all out.
We finally got to the top of the mountain-
Wh
What?
Step...
You should think that this is your only chance and be daring.
Because encounters are once in a lifetime.

Um, are you okay?
I heard there's something that's making you depressed.
As your guide
Nakamura-chan has an interest in you it seems.
I think I should cheer up those feelings of yours with some mountain climbing.
Oh.
Uhh, there's lots of things.
It's nothing
We all have those tough times.
Like mountain climbing...
I compare things to mountains right away, but...
I'm a mountain moron.

Mount-
ains
are
ups
and
downs.
You may
think
they're
hard,
but just
like this,
a world that
just opened
awaits you.
BEAT...
Oh....
So
I
wasn't
mistaken.
The
simi-

ity
with
the
snowy
mount-
ains.
Yeah.

His

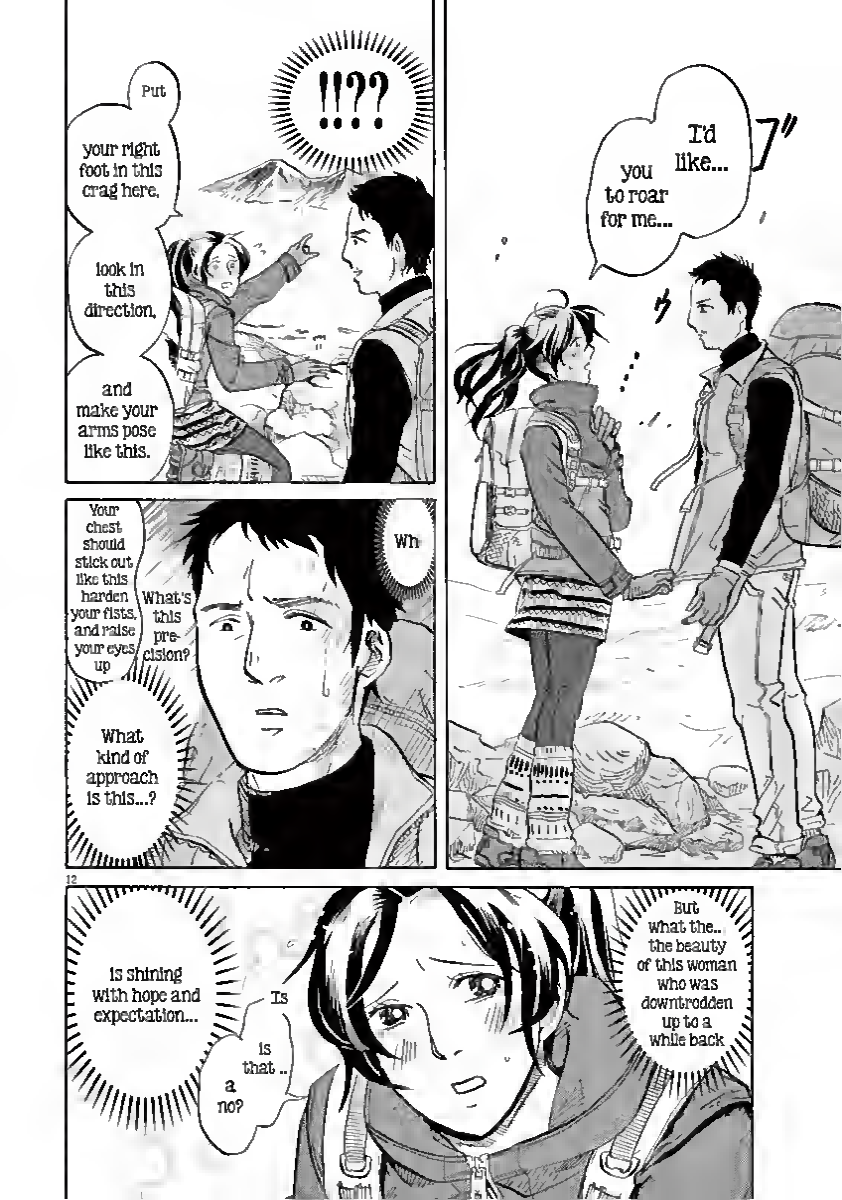
'You should
think that
this is your
only chance.'
'Encounters
are once in
a lifetime.'
But
We
just
met
today.

'And be daring.'
GRIP
Uh umm
Yes?
We just met for the first time today, and I'm gonna say something impolite.
B-
But I'd like you to listen.
BEAT
Okay.
Please tell me anything.
BEAT
BEAT
BEAT
I...



!!??
Put your right foot in this crag here.
look in this direction.
and make your arms pose like this.
Wh
What's this precision?
Your chest should stick out like this harden your fists, and raise your eyes up
What kind of approach is this...?
I'd like... you to roar for me...
7"
But what the.. the beauty of this woman who was downtrodden up to a while back
is shining with hope and expectation...
Is
Is that .. a no?

Can someone really want this wildness!?
really does get attracted to the strength of mountaineers, right?"
"The weakened woman heart
スウ…!
I'll do it!

It's the new, beautiful Juushouwan OP which starts from the figure of the protagonist howling in the snowy mountains with a picture of his daring draw back!

This guy,
Shishileo/Shou s actor Once Daichi
he looks like Shishileo's actor, Daichi-kun!
Whether he s a handsom guy or not is a bit of a question mark though...ll
These snow laden mountains...
And this location here!

I can see it! The title goes there!
I can hear it! The narration is there!

I cast away my shyness and asked him!!

And it's a perfect, completely coincidental collaboration!!

All the big defeats in this part

are just preparation for power ups and a brilliant victory in the climax!!

It would be perfect if he could just transform now.

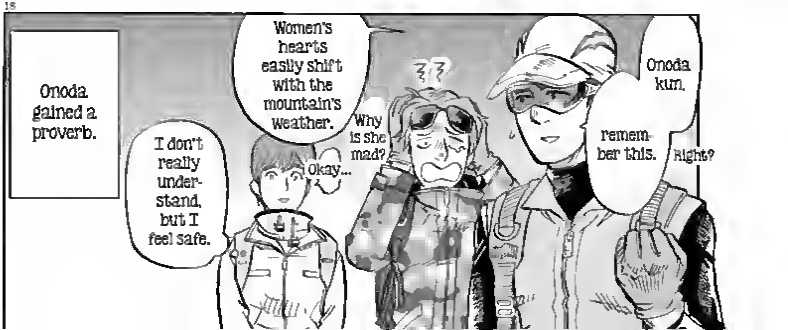
You may think they're hard, but a world that just opened up—

That's right.

Thank you very much.
That was really amazing!
Let's go eat lunch!
Just because I got beaten black and blue,
doesn't mean I should be discouraged!!
How was that?
Uh... was that... it?
!
The thing you wanted to ask.
Oh
Yes!
I'm sorry for making you accompany me.

I got to ask him~
Hey hey heeey~
ﾆﾔﾆﾔ
How'd it go~?
I heard the roar of victory~
You lady killer~

Mountains are awesome!
And so, Nakamura
So Nakamura san did get better!
Our strategy was a big success-
gained courage from the mountains and recovered.



Onoda gained a proverb.
I don't really understand, but I feel safe.
Women's hearts easily shift with the mountain's weather.
Okay...
Why is she mad?
Onoda kun, remember this.
Right?
